

generous pension scheme

Pension provision is to enable more people to save for retirement.

The pension schemes we provide are the Local Government Pension Scheme (LGPS), the Teachers' Pension Scheme (TPS) and the NHS pension scheme (NHS) which are all qualifying pension schemes.

Joining the pension scheme means that each time you are paid both you and the council will pay money into the Pension Scheme to provide you with pension benefits when you retire.

If you are a taxpayer the government would also be contributing to your pension through tax relief.

There are other benefits of being a member of the pension scheme and further information on the schemes can be found at:
