

opportunities to get involved and innovate

Our Staff Deal outlines what you can expect from working at Wigan and in return what we will expect from you.

Staff are truly at the heart of what we do and at Wigan Council we pride ourselves in genuinely listening to staff and providing opportunities for you to get involved and innovate. Just a handful of the things we do include:

- Hold regular listening sessions with the Leader of the Council, Chief Executive and your Director. These give you the opportunity to hear the latest priorities and have your say and share your ideas and suggestions to make Wigan Council an even better workplace.
- Provide you with regular opportunities to share ideas and suggestions through regular Team Time meetings with your manager, regular 1-2-1 meetings called My Time with your manager.
- Provide regular opportunities for you to get involved and have your say including surveys, polls and 'your say on ...' sessions.
- Recognise and reward great work by getting involved, sharing success through our Staff Facebook page, nominating your colleagues for a staff award and thanking you for a great job!
